Le 2: Homework Correction

Gustaf Hendeby

Div. Automatic Control
Dept. Electrical Engineering
gustaf.hendeby@liu.se

Exercise Correction

- Correction in groups ~ 3 people.
- Groups will be communicated tomorrow.
(I want to see who are committed enough to hand in solutions.)
- Each group will get solutions to correct and grade, **together**.
- 10 points per exercise, 50 in total per homework.
- Email the corrected exercises to me.

Correction Instructions

- Points:
 - 10 for perfect solutions.
 - $-2 p$ per serious fault.
 - $-1 p$ per minor fault.
 - Deduct points for steps you cannot follow.
- You as a group jointly correct the exercises, you are not allowed divide the work between you.
